What you need to know about

Separation & Divorce

Separation hurts ... and divorce happens.
You don't need to go it alone.

This workshop is for you, especially if:

- Separating has crossed your mind
- You are ready to sort out the steps
- You are struggling to untie the knot

Attending does not mean you'll divorce.
It simply means you'll be savvier about
your future, especially if things get
rocky.

Some workshops are for women only,
others for men, women and couples.

**Come for yourself, your children, or a
friend. You'll be glad you did.**

Overwhelmed? Not sure what to do next? You are not alone.

No one marries planning to divorce, and it is one of the

most difficult things you might ever do. There is no need to stumble through it alone.

Join us. You'll be glad you did.

We meet monthly. Come once ... or as often as you need.

Second Saturday offers a safe, supportive place to share information with others facing the same challenges.

Attending is simply about information gathering ... and getting your ducks in a row just in case things get really rocky.

What our attendees say:

"It's empowering..I feel much better."

"Just what I needed."

"This is one program where you will get answers!"
